Dear Mr. Naughton,
I represent Knock Knock Whois Not There, LLC, and I am responding regarding the subpoena recently served in Jafarian v. Doe. I've reviewed the subpoena and the court docket, and I don't see a court order permitting early discovery per FRCP 26. If you have already obtained a court order, please forward it to me. Otherwise, my client objects to responding as the subpoena was served prior to the FRCP 26 (f) conference, and thus requires a court order based on good cause. I am happy to discuss if you have any questions or concerns, although I will be out of the office next week.

Regards,
Mindy Morton
